

Dave,

I am writing regarding my recent move from San Diego to San Francisco and the incredible experience I had in choosing and using Move-Plus. When I started my search to find a moving company I was rescind to use a larger reputable company like a MayFlower. But I wanted to make sure I was getting the best value out of my move and asked for quotes from smaller local companies. That, as you know, is how I was introduced to Move-Plus. I immediately felt at ease speaking with you and felt like I was speaking with a company that cared about the person and not just the business. When the time came to decide, Move-PLUS was the top of my list. Not only did you have competitive prices but working with you made me feel very comfortable.

Of course as the move date got closer, I started thinking "Hmmm, Dave was a great salesperson but I don't really know anything about Move-PLUS. Did I make the right decisions?" That question was immediately answered on the day of the move. YES! I made a great decision. Thomas and his crew where unbelievable. They were friendly , professional and got the job down not only in lightening fast time but so smooth that I felt like my friends where helping me out. To me these guys went above and beyond ANYTHING I could have expected. They were finished within 2 hours and with Thomas at the lead I just got to sit back in awe and watch. I was continually waiting for the twist with the experience. And it did come at the end; when Thomas said "We will have your stuff in SF tomorrow morning". My jaw dropped. In my entire life I have moved and had to worry about the movers being there before me. Now my biggest moving issue was getting to SF at a reasonable hour the next day to let them in.

When I got to SF the next day, it was around 7:30 pm. Thomas and his SF crew had been waiting for hours for me. But in true Thomas form, he never complained and moved me in and had everything set up in an hour or so while I sipped on a beer!!

I can't say enough expletives about my experience with Move-PLUS, AWESOME, GREAT, OVER-THE-TOP, STRESS-FREE, UNBELIEVABLE.

It truly was a great experience and I wouldn't hesitate to recommend you to all my friends, family and business connection.

Thank you,

Patrick Starzan

P.S. Give Thomas a RAISE!!!
