

Hi David, I wanted to take the time to inform you and your company with the pleasant experience I had with Move Plus. My situation started with you and your patience with me and having to reschedule the move date at least three or four times. Then last Saturday the four movers were all professional and were delicate with all our items. Again, my wife and I were pleased with the service and rates provided by Move Plus and would consider using you again in the future and with referring your company to our friends and family.

Do not hesitate to contact me for additional information.
